

CRT Cleaner

LMS 100 CRT Cleaner provides an invisible, long lasting, anti-fog/anti-static coating on glass, plastic and non-porous surfaces. This non-abrasive protector resists fingerprints, dirt, dust and film. Improves visual clarity, reduces wear and scratching. Great for computer monitors. Does not contain wax. Reduces static and fingerprints on computer monitors. Keeps monitors cleaner longer. Reduces dust and dirt attraction. Anti-static agent reduces chances of ESD to valuable software and computer equipment. Do not spray into keyboard or inside the computer. CRT Cleaner can be used on the interior of automobile and truck windshields to prevent fogging but is not recommended for use on exterior windshields.
